A Message from our Principal, Mr. Bishop

January, 2007

Dear Students and Parents:

A nice long Christmas break! It is good to be back working with our students. As the New Year begins, we set goals and look for ways to enhance our school. This is important and equally essential is to take time to recognize what is going well. We are impressed with the academic growth and the behavior the students have shown. The staff works hard and puts forth such impressive effort. We are also indebted to the active supportive involvement from parents. All of us will continue to work hard for your child and seek new programs that will enhance the school. To this point we are adding a new reading fluency program entitled the "Six Minute Solution." We should see some very good results. Be sure to ask your child how it is going. To a Great New Year!!

Tim Bishop and the Orengo Staff

A Special Thank You !

We had thousands of items given this year in our Elk's Food Drive. First place went to Mrs. Lusk's class, second to Mrs. Bonofiglio and third place to Mrs. Sprecher's class. Each class will receive a Krispy Kreme party. All of the classes can be proud of their contributions. We also assisted ten Orengo families this year during Christmas. These children and parents received gifts of clothing, toys, special items and food that they would not have been able to have without the generous donation of other Orengo families and staff members. Thanks to our Booster Club for sponsoring the Giving Tree event.

TESA Testing

Students in grades 3-6 are currently involved with Technology Enhanced State Testing (TESA). The state test results are reviewed and then grade level adjustments are made to address students' achievement needs in reading and math. Testing will continue through mid-February.

Extra T-Shirts

We have some extra t-shirts available for sale. White t-shirts: adult large 2; medium 3, small 1. Black t-shirts: adult medium 1; youth large 1. The cost is \$8 for adult sizes and \$7 for kids.
