Things You Need to Know About the 2017 Hillsboro Bond MEASURE 34-278

Hillsboro
School District
2017 BOND

1 WILL THIS BOND RAISE MY PROPERTY TAXES?

No. This bond would not raise your current property tax rate of \$2.24/\$1000 of assessed value, which is what property owners paid in November 2016.

2 WHAT PROJECTS WILL THIS BOND PAY FOR? IS THERE A SPECIFIC LIST I CAN SEE?

The bond would prioritize safety and security, update and repair aging school buildings, address overcrowding while planning for future growth, and provide a modern education for students. The district has developed a school by school project list you can read at Hillsboro-Bond.org.

3 WILL THESE PROJECTS BE COMPLETED IF THE BOND DOES NOT PASS?

No. The district will continue to maintain school properties but the \$408 million dollars in school capital investments will not occur.

4 WHY DO YOU NEED A BOND TO PAY FOR THESE PROJECTS?

The general education taxes property owners pay each year go to support operational expenses like teachers and educational materials, not capital expenses like buildings and infrastructure maintenance. In order to raise funds for large-scale capital projects, the property owners within a school district's boundaries must vote to place an additional tax on their property.

5 WHEN IS THE ELECTION?

November 7, 2017. You have until 8:00 p.m. to return your ballot.
