

# Hillsboro School District Meal Distribution

UPDATE for May 25, 2020

## Important update as of May 21, 2020

- Please note there will be no meal service on Monday, May 25, in observance of Memorial Day. On Fridays through June 5, Nutrition Services and Transportation staff will be furloughed, along with all other eligible District staff. Students will receive meals for Thursday, Friday, and Saturday on Thursdays. The furlough day for the week of June 8 will be on Thursday, June 11, which means that meals for Wednesday, Thursday, and Friday will be distributed on Wednesday, June 10. That will be the final day of meal distribution for the 2019-20 school year.

## Important update as of May 11, 2020

- Families that have had a loss of income or employment due to the pandemic may be eligible to receive additional meal benefits through the Free and Reduced-price meal program. Oregon, in partnership with the Supplemental Nutrition Assistance Program (SNAP), is offering food support to households approved to receive free and reduced-price meals. More information about Pandemic EBT support can be found here: <https://bit.ly/3ftU0eK>. For income guidelines or to apply for Hillsboro School District free meal benefits, visit <https://bit.ly/HSDmealbenefits>.

The Hillsboro School District began providing meals to students during the coronavirus closure on March 16, 2020, and will continue to do so through the remainder of the school year, **using both distribution locations and a bus delivery model**. Meals are for all children ages 1-18.

There are seven distribution locations and 23 different bus routes, based on elementary activity routes. These routes will cover attendance areas of all HSD elementary schools. **Even if you do not see your school listed, there should be a bus stop at or near your school that you can access**. Please click the links below to see the location and time of each stop. Route information that pertains to each school will also be posted in the front window of the school for your reference.

***Please note that students should not have to cross the street to access their meals. In areas where there are high concentrations of students, there will be one bus servicing each side of the street.***

***There is limited time at each stop. Please be present at the assigned time, maintain appropriate social distance, grab your lunch, and head home. Please do not crowd the bus entrance or one another. Thank you in advance for your assistance in keeping everyone as safe and healthy as possible!***

If there will be any changes to the meal distribution locations or to the bus route stops, these will be announced on Fridays for implementation on the following Mondays. Please check our website at [www.hsd.k12.or.us/coronavirus](http://www.hsd.k12.or.us/coronavirus) or your school's front window for current distribution locations and route stops for any given week.
