Middle School After School Sports Program

Don't go home; go to the ZONE!

This Intramural Sports Program is offered at all middle schools and is an introductory athletic experience. It is not intended to be a highly intense, competitive program. Sportsmanship and teamwork will be taught and closely managed at all competitions. Perfect attendance is not mandatory, but is encouraged to allow participants to have a positive experience. There are five sports for your student to register for this school year. All sports are co-ed. Specific game and practice schedules will be given out the first week of each session.
