

Hillsboro School District - 2024-25 Open Slots for HB2747 Inter-District Transfer

A total of 120 slots will be opened in Hillsboro School District for the 2024-25 school year as indicated below. HSD will release up to 70 students wishing to transfer to a different district. Please note that students need approval from their home district to be released, and also need to be accepted by the receiving district for inter-district transfers to be final. Students must meet the stated criteria for the transfer to remain in place - districts do have the right to revoke if the following expectations are not met: 1) attendance of 92% or greater; 2) no more than one suspension per academic year and no suspension of five days or more; and 3) no expulsion. These terms shall be applied consistently to all similarly-situated students such that they do not have the effect of discriminating against a class of persons.
