

2019 Summer Academy

The goal of Hillsboro Online Summer Academy is to provide opportunities for Hillsboro Online students to make-up a semester course they did not pass during the school year. Credits earned during Summer Academy are considered “credit recovery” and are reflected on a student transcript as a “Course Name/CR” with an “S” for Satisfactory. Each course is a 0.5 credit course. There is no cost for current HOA students.

- Students can earn up to one credit of recovery during our Summer Academy.
- Students taking one course should attend the AM Session.
- Students taking 2 courses would attend both AM & PM sessions.
- Students are not able to take more than one same-subject course at a time.
- If a student successfully completes a course before the end of the session, they may register for an additional course.

In-person attendance is required at all Summer Academy sessions until the credit recovery is complete.
