How many absences
have I had this school
year? Use this to track
school days missed.

DATE OF ABSENCE	
1.	_____ DOING GREAT
2.	_____
3.	_____
4.	_____
5.	_____ WARNING
6.	_____
7.	_____
8.	_____
9.	_____ ENTERING
10.	_____ DANGER ZONE

The more absences you have, the more negative the impact on your academic success. Missing 20 days every school year can mean your chances of eventually graduating go down to 20%.

DID YOU KNOW? Missing two days a month means you miss 10% of the school year. Even tardiness matters: being late 15 minutes every day results in missing out on two weeks of education during the year.
