Alternate Pick-up and Drop-off Information

Pursuant to Hillsboro School District Policies and Procedures, transportation service may be granted to students to and from an alternative address other than their primary address. This courtesy service may be provided only if, in the sole judgment of the Hillsboro School District, no additional costs will be incurred and the following specific criteria are met:

- The alternative address is within the service area for the student's assigned school or program
Service to the alternative address is to be provided on a fixed weekly schedule
A seat is available on the bus route serving the alternative address
A bus stop serving the alternative address already exists and is assigned to the bus route
In addition to these criteria, transportation services may be provided to and from community partnership organization locations that are specifically approved by the District
It is the parent's responsibility to notify the school when the change has been made.

Please complete this form if your student is to be picked up and/or dropped off at a location other than their home address on a regular established schedule. All requests apply to the current school year only.

Requests for multiple pick-up and drop-off locations that are not on a regular schedule cannot be accommodated. Students may not "choose" where to be picked up or dropped off. Requests for alternate week changes cannot be accommodated. Temporary changes (less than 1 month) must be in the form of a note to the school on the date of the requested change.

CHANGES TO TRANSPORTATION MAY TAKE UP TO 5 DAYS TO COMPLETE.
