

follow your curiosity

Get Ready for Summer!

Classes & Camps Enrolling Now!

Our summer camps and classes for students in grades 2 - 12 are hands-on opportunities designed to inspire curiosity in science, technology, engineering, math, writing, study skills and the arts.

Some of our summer camps and classes include —

Chemistry Kitchen (Grades 2-3) - Turn your refrigerator into a laboratory.

Create an Illustrated Storybook (Grades 2-4) - Write and illustrate your own storybook.

LEGO: WeDo Robotics 2.0 (Grades 2-4) - What can YOU do with LEGO WeDo?

Coding for Beginners (Grades 2-4) - Where little fingers program big fun!

LEGO Robotics: Real World Engineering (Grades 3-5) - Robotic power to the rescue!

Acting: Fractured Fairy Tales (Grades 3-4) - "Fracture" a fairy tale with a comic twist.

Stop Motion Animation (Grades 3-5) - Bring inanimate objects to life.

The Art of Math: From Fibonacci to 3D (Grades 2-4) - Create amazing art using the secrets of math!

We look forward to seeing you there!

Hillsboro School District does not endorse or sponsor the activities and/or information contained in community flyers.
