

follow your curiosity

Get Ready for Summer!

Classes & Camps Enrolling Now!

Our summer camps and classes for students in grades 2 - 12 are hands-on opportunities designed to inspire curiosity in science, technology, engineering, math, writing, study skills and the arts.

Some of our summer camps and classes include —

Computer Science: Principles & Problem Solving (Grades 8-10) - Prepare for AP Computer Science!

Club Med West: Medical Careers (Grades 10-12) - Investigate careers in the field of healthcare.

Drone Academy: Become a Pilot (Grades 10-12) - Prepare for certification & chart your future!

CyberAcademy: Hacker Defense Training (Grades 9-12) - Encrypt, defend and exploit.

STEM Career Exploration (Grades 9-12) - Meet professionals in STEM fields.

Virtual Reality Worlds (Grades 8-12) - Build your own immersive reality.

Game Creation with Unity & C# - Learn programming basics by creating 3D games!

Algebra Academy: Advanced (Grades 9-12) - Prepare to succeed in advanced algebra.

We look forward to seeing you there!

Hillsboro School District does not endorse or sponsor the activities and/or information contained in community flyers.
