

Camp Amp is a place where students are empowered and given the freedom to be creative, develop skills and confidence, and play as loud as they want!

Learn from the best! Camp Amp is taught by professionals and seasoned educators. Opportunities are provided for students to develop valuable skills, techniques, discipline and self-confidence, all while making new friends with kids who have the same interests. The atmosphere is fun, positive and educational.

Students are divided into Rock bands where they learn songs to prepare for an end-of-camp live performance on **Thursday, July 21, 7 pm, Century High School**. Music is fun, relevant and innovative while accessible to all skill levels. All students rehearse in their bands, create their own band logo and screen print it onto their own t-shirt. Concert Production teaches lighting, sound engineering and stage design. Camp Amp students must attend both weeks. **STUDENTS MUST BRING THEIR OWN INSTRUMENT** (except drums).
