

PROTECT WHAT YOU LOVE. EVERY MOMENT. EVERYONE.

Get the flu shot.

SEPTEMBER 28, 2021

Flu shots are coming to a Kaiser Permanente Vaccination Center near you.

Schedule online at kp.org/flu.

To help you get care safely, flu shots are available **by appointment only, not walk-in**. While COVID-19 variants and the influenza virus spread throughout our communities, you can feel good about protecting yourself and your loved ones when you make an appointment.

Have a primary or specialty care appointment? No need to schedule an additional appointment – we'll give you your shot during that appointment.

OCTOBER 1, 2021

Retail pharmacy flu shots are back.

Not finding a location or time that works well for you? A retail pharmacy might be your best option.* Please visit kp.org/flu for details.

No access to a computer? Call **1-800-813-2000 (TTY 711)** to schedule your appointment. Due to high call volumes, you may experience a longer than usual wait time.

Find a location near you and schedule your appointment today at kp.org/flu.

Retail pharmacy locations*

- Albertsons
- Costco
- CVS
- Kroger (QFC / Fred Meyer)
- Rite Aid
- Safeway
- Sav-On
- Walgreens
- Walmart

* Some retail pharmacies require a scheduled appointment or have age requirements. Select the pharmacy you would like to visit to find details.
