The Board of Directors for the Hillsboro Schools Foundation has elected to provide an EARLY innovative grant cycle. What is your wish for?

These dollars are meant to enhance the distance/online learning for students in your classrooms. Be creative, have fun! It's time to make a request instead of just thinking aloud "I wish I had some money to do..."

HSF so far, has raised and donated over \$140,000 just for Pandemic related issues since April for the HSD. Funds have been used for art and school supplies, headsets so students can hear you, food for the rapidly emptying food pantries, and internet essentials. We have heard from so many of you about needs for right now and not just for WHEN we are back to K-12 brick and mortar education. 25 grants – Up to \$1,000 with funds to HSD by December 18<sup>th</sup>. Recipients will be notified during the week before Winter Break.

What do you need to do? We still need to know what you want and the impact it will have for your students. Two simple, open ended questions. *Creativity, AND brevity is appreciated.* We don't want you to pull an all-nighter writing! Try to keep it to one page but you can add photos or links if you wish. MAKE A WISH!
