

Endorsements and Degree Programs for Current Teachers

Join us Wednesday, April 6.

Lewis & Clark's inservice programs model professional standards, innovative curricula, and best practices for early childhood, elementary, middle, and high school teachers who want to advance their study.

Summer and evening classes in hybrid and online formats accommodate the schedules of working teachers, and we'll even bring our program to you - district-affiliated programs for experienced teachers are offered at various sites around Oregon.

Register for the info session to learn more about our MEd in Curriculum and Instruction and ESOL and Reading endorsements.
