Highlight of the Month

National Diabetes Awareness Month

At least 1 in 3 Americans are prediabetic, yet 84% of them don't know they have it. Awareness is key in non-pandemic times, and even more so now.

To help you make achievable, healthy lifestyle changes that reduce the risk of developing type 2 diabetes, WW delivers a CDC-approved curriculum as part of the National Diabetes Prevention Program. [Learn more here!](#)

With [Connect Groups](#) such as "Living with Diabetes" and "Living with Prediabetes," WW members just like you are here to support you through every step of your wellness journey.
