

# Hillsboro School District Meal Distribution

April 1-28, 2020

Hillsboro School District will be expanding its meal distribution system beginning on April 1, 2020, and continuing through April 28, 2020, **using a bus delivery model**. Meals are for all children ages 1-18.

There will be 22 different routes, based on elementary activity routes. These routes will cover attendance areas of all HSD elementary schools. **Even if you do not see your school listed, there should be a bus stop at or near your school that you can access.** Please click the links below to see the location and time of each stop. Route information that pertains to each school will also be posted in the front window of the school for your reference.

**Please note that students should not have to cross the street to access their meals. In areas where there are high concentrations of students, there will be one bus servicing each side of the street.**

**There is limited time at each stop. Please be present at the assigned time, maintain appropriate social distance, grab your lunch, and head home. Please do not crowd the bus entrance or one another. Thank you in advance for your assistance in keeping everyone as safe and healthy as possible!**

If there will be any changes to the meal distribution locations or to the bus route stops, these will be announced on Fridays for implementation on the following Mondays. Please check our website at [www.hsd.k12.or.us/coronavirus](http://www.hsd.k12.or.us/coronavirus) or your school's front window for current distribution locations and route stops for any given week.
