

Hillsboro “Summer 8.5” Registration

Dear Parents & Guardians-

Your child has been selected to participate in Hillsboro School District High School’s “Summer 8.5” program. “Summer 8.5” is focused specifically on skill development, leadership, and college/career readiness. A standards-based curriculum will be delivered to develop skills in math and student success skills. Students who attend “Summer 8.5” will earn 0.25 elective credit. Breakfast and lunch will be provided, and transportation provided. We are excited to work with you and your student and hope to provide a unique and enriching experience with a top-notch teaching team, innovative instruction, and a positive and engaging summer school environment.

It is our practice when preparing for external publications or on the Internet to seek parent permission before including their child’s photo. In order to include your child’s photo in the project described below, we must have you signed permission. Please review the information, sign it, and return to school.

Program staff may take photos to be used on the school and/or district website for the 2018-2019 school year. Our community sponsors, like Dutch Brothers, may also want to share images of 8.5 participants. If you have any questions, please call me at:
