WELCOME TO CENTURY HIGH SCHOOL!

Dear Parents and Students:

It is with great pleasure that we take this opportunity to welcome you to Century High School. For many, it is a greeting extended to old friends; to others, it is an introduction and an invitation. To all, it constitutes a pledge of continued efforts to provide the best possible education for our young people. We look forward to a successful and rewarding 2023-2024 school year. Century High School can take pride in its highly qualified and dedicated staff. Our educators view education as a partnership between home and school. Our faculty and staff are committed to providing the best education possible in preparing our students for the 21st Century.

Whether you are joining us for the first time or have been with us for a number of years, we encourage you all to become an active member of Century High School. We offer many outstanding programs that are great ways to get involved at Century High School. The key components to a student's success include a strong, challenging course of study and involvement in co- and extra-curricular activities. Students who get involved pave the way for meeting new people, making new friends, and learning important skills such as leadership, cooperation, and teamwork. Involvement can make the difference in your year and your life.

This handbook has been developed by our staff to help you learn as much as you can about our policies and procedures and the services we provide. It is a reference guide that we hope you find extremely useful throughout the entire school year. Take time to discuss the behavior and academic guidelines and requirements specified in this handbook. They are provided for your reference and are important to understanding general school expectations which we will all embrace this year.

We look forward to this school year (our 27th year) with great excitement and hope all of our students will have a rewarding and successful year. We trust that your experience with our school will enhance your faith in public education, and that you will find in this school an education for your child that is worthy of your love and concern.

Again, I welcome you to Century High School. I look forward to meeting you and sharing a successful 2023-2024 school year!

Sincerely,

Julie Kasper Principal

SCHOOL DAY HOURS

Century High School front office is open Monday-Friday from 8:00 am - 4:00 pm. During the school day and outside of school hours the building is locked. All entry during the school day must be through the main office. On Monday, Tuesday, Thursday, and Friday classes begin promptly at 8:30 am and end at 3:30 pm. On Wednesday classes begin promptly at 9:00am. The building closes at 4:00 pm and students are expected to leave the building prior to this time. Note for students electing to take a 0 period, it begins at 7:30 am Monday, Tuesday, Thursday and Friday.

Specific bell schedules are available on the <u>Century webpage</u> and also posted throughout the school building for student reference.

STUDENT SUPERVISION

Adult supervision is provided to students during regular school hours, while traveling on District-provided vehicles to and from school, and while engaged in District-sponsored activities. Supervision will be provided at 8:10 a.m. before school and until **3:45 p.m.** in the approved areas on campus. During Academic Seminar, adult supervision will not be provided until 8:30 a.m.

Such supervision does <u>not</u> include early morning or the time following student departure unless students are present for a scheduled activity. Students need to leave campus promptly at the end of the day, unless remaining for a **supervised** activity.

CENTURY HIGH SCHOOL CALENDAR

Check the school and District websites for the most current information www.hsd.k12.or.us/century or www.hsd.k12.or.us.

GENERAL PARENT-STUDENT INFORMATION

ASSEMBLIES

Assemblies will always be either *mandatory* (attendance is required) or *optional* (student may opt to attend the assembly or report to a supervised study hall for the duration of the assembly). Closed campus rules remain and students may not leave without prearranged parent permission.

CULTURAL DIVERSITY

It is our mission at Century High School to foster understanding and mutual respect among students. We celebrate our diversity of races, cultures and religious beliefs. Our educational goals include advancing student knowledge and appreciation of the role that our religious heritages and cultural structures play in the historical development of civilization

CLASS REQUIREMENTS

Century students are expected to maintain 3.0 credits per semester if participating in an OSAA sanctioned athletics or activities.

CONTACTING STAFF

Inquiries about your student's progress should always begin with the teacher. At Century High School there are several ways to contact a staff member:

1. **Voice mail**: Call 503-844-1800 and ask for the teacher, or the teacher's voicemail. Please leave a message and they will return your call as soon as possible.

E-mail: E-mail addresses of staff members are available on the school website.

STUDENT FEES

FFFS

Please refer to the fee schedule posted in the District section of this handbook.

UNPAID FEES

Seniors with an outstanding balance (school or activity fees) will not be able to participate in commencement exercises. Additionally, seniors will not be able to pick up graduation tickets unless all fees are paid and are on track for graduation with credits and passing all required classes to graduate.

FINES

Fees not paid at the junior high level will follow the student to high school.

TEXTBOOKS

The District does not charge students a rental fee for use of textbooks. However, students are responsible for textbooks checked out to them and are expected to exercise care in the treatment of the books. Please be aware of the following guidelines regarding textbooks:

- 1. Students must return books to the library and turn in the same book(s) they checked out from the library.
- 2. Check all books carefully when they are issued to you.
- 3. Students are required to pay for lost books or books that are damaged beyond use. Charges will be based on the replacement cost of the book.
- 4. <u>All</u> fees must be paid and all textbooks and library books returned <u>prior</u> to participating in Commencement activities. Diplomas will not be given to seniors who have outstanding balances.

STUDENT BODY CARDS

All students will be issued a student body card. Cards are required to pick up yearbooks. All students must have ID pictures taken at registration or upon enrollment. Students who have lost their cards may obtain replacement cards in the library at a cost of \$5. Students must wear their ID card on campus during the school day. At school-sponsored events, they must carry their ID card and present it to district or building staff members upon request.

ASB STICKERS

Athletes and students involved in OSAA activities are *required* to pay student body fees and/or user fees. Student Council strongly urges all students to pay student body dues. Dues provide operating funds for the extra-curricular activities such as assemblies, athletics, publications, and dances, from which all students benefit. Students who pay dues are entitled to admission to home athletic contests and reduced admission rates to drama productions and school dances.

PARENT CONFERENCES

At Parent Conferences, parents pick up report cards and have an opportunity to meet and conference with teachers who are in an arena setting in the Commons and library. Parent Conferences will be held in November.

STUDENT MESSAGES

It is vital to minimize interruptions to instruction time. Thus, only **emergency** messages will be delivered during class time. Requests must be made in a timely manner by parents or guardians. We thank you for your support.

CENTURY NEWSLETTER

The Century Newsletter (Jaguar Jargon) is a bi-monthly publication posted on the Century Website. The newsletter will keep students and parents informed of school events.

ADDRESS AND TELEPHONE NUMBER CHANGE

<u>Please call 503-844-1806 to make changes.</u> Please see additional information in the District section of this handbook.

PARENT INVOLVEMENT OPPORTUNITIES

CENTURY BOOSTERS

Century Boosters is a school-community organization which supports and acknowledges all Century students in academics, athletics, and the arts. Membership dues, merchandise sales and donations support recognition of as many students as possible and allow the group to sponsor two scholarships for Century students. General membership meetings are held on the **second Wednesday of the month**, in the Media Center.

SITE COUNCIL

The Century School Council leads the school through a process of school improvement. It reviews school improvement goals and determines professional development needs. The Council is made up of parents, teachers, classified personnel, students, and one building administrator. Meetings are open to anyone who would like to attend.

ADULT VOLUNTEERS

There are many ways that parents and community members can improve Century by volunteering at school or with activities. Community members tutor students, assist in offices, landscape the campus, aid teachers with research or materials preparation, work in concession stands, assist with activities and field trips, sew costumes, plan and carry out recognition events, make phone calls, translate for students and staff, and speak on special topics to classes. If you have any of these special talents or others that would enrich Century High School, it is important that you fill out a volunteer application and criminal history verification packet that may be picked up from the main office or you may contact the counseling center at 503-844-1810 (See Volunteer Requirements/Procedures in the District section of this handbook).

ATTENDANCE INFORMATION

Two critical keys to successful attendance are well-informed parents and students and good communication. Oregon Law charges the school, <u>not the parent</u>, to determine which absences, other than illness or family emergency, should be excused.

Students may not leave the school campus without permission!

Oregon Revised Statutes provide that all persons between the age of six and eighteen years, who have not completed the twelfth grade, are required to attend regularly and be enrolled full-time in the appropriate school in the attendance area in which they reside. Applications for exemptions may be made at the school where the student is enrolled. See the attendance section in the Standards of Student Conduct for specific guidelines and policies.

Please note: According to Oregon state law, any student absent from school for 10 consecutive days must be dropped from school rolls. (ORS 339.250, OAR 581-23-006).

Critical areas of the attendance policy for parents and students:

- 1. Excused Absences. For an absence to be excused, it must meet one of the following criteria:
 - a. Illness of a student, guarantine
 - b. Illness of immediate family member
 - c. Emergencies, such as death, accident, medical or injury

- d. Religious observances
- e. Legal or court appointment
- f. Suspension
- 2. **Absentee Excuses**. Parents are asked to make a telephone contact when a student is absent or has an appointment, etc.

Please call the 24-hour attendance hotline at 503-844-1821 to report student absences. Notes will be accepted when phone contact is not possible.

After school hours, an answering machine will take messages. If possible, please call the day or night prior to the absence, and include the reason. If this is not possible, please call the **morning** of the absence so teachers can be notified. If a student is absent more than one day, additional calls are necessary.

Absences not verified by a parent phone call become temporary absences for 48 hours. **After 48 hours these absences become unexcused absences**. It is the student's responsibility to notify teachers within 48 hours if an unexcused absence is excused.

3. **Pre-arranged Absence.** Absences for reasons other than illness or family emergency should be arranged by parents <u>before</u> the planned absence. Some examples are family trips, hunting/fishing, school-approved trips/activities such as Outdoor School and athletic events, medical appointments.

Please abide by the following guidelines:

- a. A student may have only five days of pre-arranged absences per semester. Students will not be excused during the last week of a semester except in cases of emergency. Pre-arranged absences of more than three consecutive school days are strongly discouraged as they will negatively impact a student's academic progress.
- b. A pre-arranged absence will be issued only to students with seven or fewer absences per semester who are passing all classes.
- c. Parents must call the attendance office to approve the pre-arranged absence. Students then do the following:
 - 1. Obtain permission forms in the attendance office;
 - 2. Obtain teacher signatures, and
 - 3. Return the form to the attendance office prior to the absence. <u>If these steps are not taken, the absence is not pre-arranged, and is unexcused.</u>
- d. At times, class material covered during an absence cannot be made up (class discussions, films, and lectures). A teacher may choose to give an alternate assignment.

Please note that in a block schedule, missing one day of school is equivalent to missing two full days of classes in a non-block schedule.

- 4. **Field Trips**. Participating in field trips is a privilege, not a right. Students who have many absences (eight or more), or are failing a class may be denied permission to go on a field trip.
- 5. **Medical/Dental Appointments**. Students are encouraged to schedule medical and dental appointments outside school hours. When necessary to keep an appointment, parents must call the Attendance Office **prior** to student check out. **If a student leaves without prior parent permission** and without checking out in the attendance office, the result is an unexcused absence.
- 6. **Leaving or Returning to School**. Students must check in and out of school in the attendance office. Failure to comply will result in unexcused absences for all classes missed and disciplinary action.

- 7. **Excessive Absence**. Absence of eight days or more in a semester is considered excessive. When a student is excessively absent from a class, regardless of reason, a letter will be mailed home. A phone contact will occur at that time.
- 8. **Truancy.** Truancy is defined as absence from school or class without permission. Any unexcused absence not verified by a parent/guardian or staff member within 48 hours is considered truancy. If a student is truant, parents will be contacted, and continued truancy will result in consequences ranging from conferences, assignment to a detention, suspension, or truancy referral to Hillsboro Police Department.
- 9. **Contacting Parents**. If you want the Century attendance office or Century staff to contact you at an address or phone number other than at your home, please let us know. You can call anyone in our offices for assistance.

10. Tardies.

- a. Students arriving to campus from an appointment should check in through the attendance office for a pass to class.
- b. At Century High School, we value instructional time. Students who are tardy miss valuable class time. Tardies will be tracked and conversations with an administrator will happen as needed. Consequences will range from a lunch detention to a Thursday or Saturday detention.
- 11. **Make-up Work**. Students who are out of school more than one day may request assignments by calling the attendance office. Make-up work takes 24 hours to arrange.
- 12. **Participation Eligibility**. Students absent from school for more than half their class day may not participate in or attend any school-sponsored activity the day of absence, including any practice, athletic or activities. Students with unexcused absences or suspensions during a school day are also excluded.
- 13. **Semester Exam Policy**. Semester and end-of-year exams will **not** be given prior to the designated exam date. Make-up of exams at a later date must be approved through the principal in advance.
- 14. **Independent Student**. A student must be 18 years of age for his/her parent to request independent status. For an independent student to be excused they must call prior to 2:00 p.m. the day of the absence.

If a student is not 18 years of age and wishes to become independent he/she must become emancipated through a court of law.

STUDENT SURVIVAL INFORMATION

OFF-LIMIT AREAS

The following areas are off limits during the school day:

- 1. All PARKING LOTS (except with pass from the attendance office).
- 2. Athletic and PE fields (including dugouts) are off-limits, unless supervised by a staff member, during the school day.
- 3. Hallways are off limits when classes are in session or during lunch periods. *Students should not loiter in the restrooms*

LUNCH OFF LIMIT AREAS

Students are expected to be in a supervised area at all times during lunch such as the cafeteria, central hallways, back patio, and the library. Students are expected to remain on campus for lunch. Students may not leave school without parent/guardian permission. No meals are to be taken outside the Central area (main teal hallway) during lunches. Students are not to be in academic loops during their lunch period. Students found in these areas will face disciplinary action.

Food and drink are **only** allowed in the classrooms with teacher permission, <u>provided it does not interfere</u> <u>with instruction.</u>

LOCKERS

Students are responsible for their locker's condition and contents. It is the student's responsibility to notify the Attendance Office if the locker is defective or damaged. Lockers are the property of the school district and school authorities have the right and obligation to check lockers when there is reason to believe they may contain items which threaten student safety or welfare. Students may be charged for damage to locks or lockers. Locker combinations will be given only to the student assigned to that locker. Under no circumstances should lockers, or locker combinations be shared by students, and any theft and/or loss of property that may result is not the responsibility of the school.

In the interest of security, lockers are to be used only during passing time and during lunch. Failure to secure lockers may result in loss of locker privileges. Unauthorized entry, or tampering with another student's locker, may result in suspension from school.

SKATEBOARDS

For safety reasons, during the school day, students must lock their skateboards in their lockers or in the skateboard racks provided. Locks can be checked out from the security office. Students may not store skateboards in the office.

LOST AND FOUND

Please report any found articles to the Security Office, located in the Attendance Office. Articles in the physical education lost and found are not to be removed without teacher authorization. Refer to District section for additional information.

VALUABLE PERSONAL PROPERTY

Please do not bring large sums of money or other valuable items to school. Don't share locker combinations! Report all thefts to security immediately. The school cannot be responsible for loss of personal items, including class projects.

PUBLIC ANNOUNCEMENTS

There are school-wide morning announcements on Tuesdays and Thursdays. If you need to make an announcement, contact your teacher, advisor, or the main office.

PLEDGE OF ALLEGIANCE

The students will show respect to the flag on a weekly basis during morning announcements, through the weekly Jag TV, as the state legislature mandates.

CHANGE/STAMPS

Century offices, library/media center, and cafeteria <u>do not</u> make change or cash checks. <u>The offices do not sell stamps or mail personal mail.</u>

VISITORS

Parents and other adults are always welcome in the building. **Please enter through main doors and check in** at the main office. North and South doors are to remain locked during the school day. All visitors are **required to wear visitor identification tags when on our campus during a school day.** As a courtesy to staff, we require that parents provide advanced notification if they wish to visit classes. As a matter of building security, <u>teachers are asked not to allow visitors into the classroom unless the visitor has checked into the main office and is wearing a visitor identification badge.</u>

Due to safety concerns and sensitivity to the education process, **student visitors are not allowed on our campus during the school day**. This includes siblings, students from other schools, and out-of-town student guests.

ELECTRONIC DEVICES

Electronic devices that are used as a contribution to classroom learning are permitted at teachers' discretion. Personal electronic devices may not be an interruption to teaching or learning – there is a <u>time and place</u>. If electronic devices disrupt the classroom, they may be confiscated and turned in to administrators.

PDA (PUBLIC DISPLAY OF AFFECTION)

School is NOT the place for long embraces or kisses. It is acceptable to hold hands and place arms around another's waist. Students show respect to each other and those around by displaying affection appropriately.

ASSEMBLY BEHAVIOR

- 1. Be courteous to fellow classmates, teachers and guests at all times.
- 2. Be seated promptly, and remain seated until dismissed.
- 3. Stop talking the moment someone appears at the microphone.
- 4. Talking, whispering or attracting attention is out of place, as is booing, whistling and shouting.
- 5. Show appropriate appreciation to the assembly presenters.

PARKING – STUDENT TRAFFIC

- 1. All motor driven vehicles must be registered with the attendance office. The parking sticker must be placed on the backside of the rear view mirror. Parking stickers are \$30 for the first and \$1 for each additional sticker for a family.
- 2. Student parking is located on the north side of the building. Students enter from Century Blvd.
- 3. The **PARKING LOT IS OFF- LIMITS** except for arrival and dismissal.
- 4. Good judgment and courtesy should prevail at all times when operating a vehicle on campus.
- 5. The speed limit is 10 mph.
- 6. The school and District are not responsible for damage or theft involving cars on campus.
- 7. The school reserves the right to search any vehicle on campus if reasonable suspicion of violation exists. If prohibited objects or substances are found, the owner/driver will be subject to disciplinary and/or legal action if deemed necessary by the school administration.

Consequence for Parking Lot Violations(s)

First Offense:

2 week suspension of parking privileges

Second Offense:

Suspension of parking privileges for up to 9 weeks

Third Offense:

Revocation of parking privileges

Repeat offenders may have their cars towed at owner's expense

ACADEMIC INFORMATION

Information on graduation requirements, alternative sources of credit, early graduation and the grading system can be found in the High School Course Catalogue, and the **District section of this handbook**.

GRADUATION

Senior students must complete <u>all</u> graduation requirements in order to participate in the graduation ceremonies. <u>All</u> fees must be paid and <u>all</u> textbooks and library books returned prior to walking in graduation. Seniors with an outstanding balance (school or activity fees) will not be able to participate in commencement exercises. Additionally, seniors will not be able to pick up graduation tickets unless all fees are paid and are on track for graduation with credits and passing all required classes to graduate.

REPORT CARDS/PROGRESS REPORTS

Official semester grades will be mailed to parents, following the end of each grading period.

GRADE CHECK

Parents can access student grades and attendance details on-line with Synergy ParentVUE. Please contact Trista Harvey (harveyt@hsd.k12.or.us), CHS Technology Facilitator, to obtain an <u>activation key</u> to gain access to https://myvue.hsd.k12.or.us. For further directions you can view "Parent" tab and then "Synergy Parent View" directions on the CHS Web Page at https://www.hsd.k12.or.us/century.

If parents want to contact individual teachers they are encouraged to contact the teacher directly using either voicemail or via email. A teacher's phone number and/or email can be found at https://www.hsd.k12.or.us/century or by calling 503-844-1800. If parents would like to know more about the overall progress they should contact the grade level counselor at 503-844-1814.

NON-ACHIEVING STUDENTS

Students are expected to demonstrate continuous effort to accomplish class objectives. Teachers are encouraged to call the parents if students demonstrate lack of interest and effort. Teachers are also encouraged to refer the student to their counselor. Every effort will be made to assist the student in correcting the problem.

HOMEWORK POLICY

Student learning is enhanced by practice outside of class. Consequently, all courses will involve homework. Significant points in connection with homework:

- 1. Students who expect to benefit from their courses must do more than simply participate in class. Assignments and other activities undertaken on the student's own time complement class activities.
- 2. Teachers are authorized and encouraged to assign activities and/or materials to be completed outside of class as part of these activities.
- 3. Certain classes will involve regular out-of-class assignments for which students should set aside time on a daily basis.
- 4. Jobs and other student involvements are not acceptable excuses for non-completion of assignments.
- 5. College-bound students are reminded that success in college will require 2-3 hours of work outside of class for every hour of actual class. Begin now to organize time and exercise self-discipline. A specified amount of time set aside at the same time every day will soon become an accepted part of a student's daily routine.
- 6. Students with prearranged absences are required to turn in all homework immediately upon their return to school.
- 7. No make-up opportunity is required for students who are truant (unexcused).

MAKE-UP WORK

When a class is missed, it is the student's responsibility to see his/her teachers concerning make-up assignments. It is important that this be done the day the student returns to school so that he/she does not fall behind the rest of the class.

Students will be allowed one day more than the number of days absent to complete their make-up work. Example: If a student is out three days, he/she has four days in which to make up the work missed.

This policy does not apply to tests, exams, or major projects scheduled in advance. In these cases, the teacher's written class guidelines apply. If extenuating circumstances prevent the student from attending class, the student should contact the teacher the day the assignment is due. Students who have missed PE class need to arrange a make-up activity with their teacher.

MEETING STATE STANDARDS

The Common Core State Standards are designed to better prepare each student for success in college, work, and citizenship. To earn a diploma, students must successfully complete the credit requirements and demonstrate proficiency in essential skills.

To search for Common Core State Standards go to https://www.oregon.gov/ode/educator-resources/standards/.

STUDENT SERVICES

HEALTH SERVICES

A health assistant for emergency care will be available in the health office. Students should observe the following guidelines regarding health care:

- Emergency illnesses and accidents occurring at school will be handled by the health assistant. The
 health office is not a hospital or doctor's office and is only for First Aid, referral for care, or to arrange
 to go home when ill or injured. Re-bandaging or simple procedures requested by a doctor or parents
 may be done, if necessary, for the student to remain in school. Ill and injured students unable to
 attend class will be sent home.
- 2. Parents or guardians are responsible for transportation home in case of illness and will be notified by the health assistant. No students will be permitted to go home without parental consent.
- 3. **Students should report to class and obtain a pass** before reporting to the health office except in cases of extreme emergency. The health center is only for students with a legitimate health problem. Students with emotional problems should see their counselor.

SCHOOL-BASED HEALTH CENTER

The School-Based Health Center (SBHC) is available to students 8:00 am - 5:00 pm Monday through Friday during the school year. The SBHC will be open three days a week during the summer from 8:00 am - 5:00 pm. Medical, dental, and mental health services are provided. The SBHC accepts most health care insurances or operates on a sliding fee scale. Oregon state law requires a parent or legal guardian's consent to provide medical treatment to an individual less than 15 years of age and/or to provide mental health services to an individual less than 14 years of age. Students are encouraged to manage their healthcare needs in consultation with their families. Parents have the right to contact the school office to request information on the whereabouts of their students at any time during the school day. Students should observe the following guidelines regarding access to the SBHC during the school day:

- To make an appointment, students may walk into the SBHC and see when they have appointments available, call the health center at 503-844-2840, or ask a parent or guardian to call and schedule an appointment.
- During school hours, a student must sign-out at the Attendance office before going to the SBHC.The student will receive a SBHC pass.

POSITIVE BEHAVIOR INTERVENTIONS AND SUPPORT (PBIS)

Positive Behavior Interventions and Support (PBIS) is a school wide effort to create a positive social culture at Century High School. Research has shown that the implementation of punishment, especially when it is used inconsistently and in the absence of other positive strategies, is ineffective. Introducing, modeling, and reinforcing positive social behavior is an important part of a student's educational experience.

Teaching behavioral expectations and rewarding students for following them is a much more positive approach than waiting for misbehavior to occur before responding. The purpose of school-wide PBIS is to establish a climate in which appropriate behavior is the norm.

COUNSELING/GUIDANCE SERVICES

The Counseling and Guidance program is available to all students. Counselors work to encourage and support students by helping them to understand their abilities, to identify their interests and skills, and to set goals. Century High School counselors work with students individually, in small groups and in classroom activities. Each counselor has approximately 400 students and meets with them for academic planning and personal counseling as needed. Counselors help students to examine what they have accomplished, to be aware of graduation requirements, and to make post high school plans.

A Freshman Can Expect:

- 1. To be assigned to a high school counselor and meet with that counselor through classroom guidance and appointment requests.
- 2. To stay with the same counselor throughout high school.
- 3. To receive assistance in developing a four-year high school course plan, setting academic goals, and organizational skills for school success.
- 4. To receive counseling as needed with academic, personal/social and career related concerns.
- 5. To receive a Naviance/Family Connection (an online career/college search system) password and initial training and to complete a Strengths assessment.
- 6. To learn about high school graduation requirements and admissions requirements to Oregon Universities.

A Sophomore Can Expect:

- 1. To receive information about Century's Secondary Career Pathways, which will help students make informed choices for their junior and senior years.
- 2. To complete their profile on Naviance/Family Connection and have an opportunity to explore careers.
- 3. To begin creating a resume.
- 4. To begin exploring post high school educational opportunities.
- 5. To receive counseling as needed with academic, personal/social and career related concerns.

A Junior Can Expect:

- To attend a junior meeting focusing on requirements for graduation and educational planning for 12th grade.
- 2. To update their profile on Naviance/Family Connection and have an opportunity to research careers, majors, and colleges through their focus program foundation class.
- 3. An opportunity to complete a Job Shadow or Informational Interview in a career field of interest.

JAG CREW

Century's "Jag Crew" is a transition program for incoming 9th graders. Groups of approximately ten incoming 9th graders will be mentored by a junior or senior student who helps them get to know school culture and processes during orientation.

FINANCIAL AID

The underlying principle of financial aid programs is to ensure access to post-high school education programs. The primary responsibility of financing college rests with the student and parents. However, there are dollars available to assist in meeting the costs of your education.

To establish eligibility, parents are required to complete a Free Application for Federal Student Aid form (FAFSA) during a student's senior year. Based on analysis of income, assets, age, dependents, and indebtedness, a "parent-student contribution" is developed. The difference between this amount and the total cost of your planned post-high school educational program is considered "financial need." The educational institution then tries to construct a financial aid package to meet this need.

CAFETERIA

Expectations

All students using the cafeteria are expected to clean up their own litter. Trash is to be thrown in garbage cans. **Students are responsible for litter at the table where they are seated**. Uncooperative students will lose the privilege of using the cafeteria.

*For information on the lunch program, please refer to the District section of this handbook or go online to the district home page and view the information listed in School Meals under 'Parent Pages.'

STUDENT STORE

The student store is a retail school store located in the commons and is operated by marketing students. Students may buy school supplies, spirit items, snacks and gifts.

LIBRARY/MEDIA CENTER

The Century High School Library is the information center of our school. It is the source of print and non-print materials. It supports instruction, provides information for individual needs, and encourages leisure reading. It is open for students looking for a quiet place to read, pursue research, do homework, and check out/in books.

Books are checked out for three weeks and may be renewed for an additional three weeks. No student will be denied access to the library space or materials. We do not charge overdue fines for late returns. If a student loses a book, they may replace it with a similar title, or pay for the replacement cost.

CAREER CENTER

The Career Center, located in the counseling center, is designed to facilitate student research of careers, jobs, training, job shadows, and job placement. Resources include; Naviance, college and vocational school catalogs (Oregon and out-of-state), printed and audio-visual career materials, as well as sources of job-search techniques. Students can also sign up for ASPIRE programs which offers a one on one mentoring program to prepare beyond high school.

PUBLICATIONS

The Century High School yearbook may be ordered during schedule pick up. After October 1, the price increases. Photo identification must be shown in order to pick up yearbooks.

SCHOOL-TO-CAREER PROGRAM

Century, Glencoe, Liberty and Hillsboro High Schools are members of the Western Washington County School-to-Career Consortium, which is operated through the Hillsboro Chamber of Commerce. Students have access to career exploration and work-based learning opportunities with businesses in the tri-county area.

Superintendent's Welcome

Summer 2023

Dear Families,

As the school year begins, it is a prime opportunity for families to reinforce the importance of engagement and structure when it comes to students' learning. Your encouragement and your own enthusiasm will be key factors in keeping your student motivated to do their best throughout the coming school year. Please take advantage of opportunities to connect with your student's teacher(s) and to familiarize yourself with the instruction that is taking place at school. If at any time you have questions or concerns regarding academic, social, or emotional support, please reach out to your student's teacher, counselor, or school administration for assistance.

This fall, we will be launching a new strategic plan that will guide our work for the coming years. We will remain focused on relevant core instruction that supports all students' growth and career aspirations while ensuring that language instruction provides access to content and skill development. We will focus on school climate and culture as well as social and emotional learning so that safe and welcoming environments exist for all students. Finally, we will continue to honor and value the cultures and assets that students and staff bring to our school communities in order to know, value, and empower every student to achieve their dreams.

I want to thank each of you for your continued support as we work together to create educational learning environments that are safe, engaging, and inclusive for students, staff and our community. Great schools have dedicated families, educators, partners and communy members who continually work to make a difference for young people in our community. We value the contributions of our families and the work you are doing to partner with our educators to facilitate the best learning program possible for each student.

Respectfully,

Travis Reiman Superintendent

Alternative Pathways and Supports

In the Hillsboro School District (HSD), we serve every student that lives in our area to ensure they have pathways to success. While we know many of our students prefer a traditional secondary school experience, we also know that some of our students prefer an Alternative Pathway. Our district provides both Alternative Pathways and Supports to ensure career and college readiness for students. Below are examples of programs and supports available to our students.

- Hillsboro Online Academy (Grades K-12)
- Oak Street Campus (Hillsboro Big Picture High School Grades 9-12, Pathways Center)
- Early College High School
- Expanded Options (High School Grades 11-12)
- Hillsboro In-School Program (HIP), Connect, and GED Options

If you are interested in exploring the Alternative Pathways in the Hillsboro School District, please contact your school counselor for detailed information.

Athletics and Activities Standards

Athletics and Activities Eligibility Requirements

Participation in athletics/activities is available to any student. The following regulations govern athletic/activity eligibility, including incoming freshmen (8th grade transcripts):

- 1. The participant must meet OSAA and District eligibility requirements.
- 2. The participant must adhere to the training and rules established by the coach, athletic department, and school administration.
- 3. The participant must meet physical requirements and possess insurance that covers them for athletic injuries.
- 4. A participant who is dropped from a team for disciplinary reasons will not be allowed to become a member of any other sport during that season.
- 5. A participant may not drop from one sports team and transfer to another without agreement of both coaches concerned.
- 6. A participant must possess a student body card with an ASB sticker.

The Hillsboro School District recognizes athletic/activity participation as an integral part of the educational process. Experience has shown that such participation promotes and supports the academic mission of schools, and contributes to student social and personal development. Students who represent their schools should set high expectations for themselves in all areas of school life, but particularly in the classroom.

If you have any questions, please do not hesitate to contact the high school assistant principal/athletic directors:

Academic and Attendance Standards

In order to meet academic and attendance standards, a student must:

- Meet the OSAA requirements of (1) having passed five subjects (2.5 credits) the previous semester (2) be enrolled and doing passing work in at least five subjects (2.5 credits) the current semester; and (3) must be making **satisfactory** progress towards earning a diploma as outlined in OSAA rule 8.1.2; and
- 2. HSD Attendance Requirements
 - **Unexcused Absences:** To participate in practice or contests, students must attend all of their scheduled classes for the day. If a student has an unexcused absence for one of their classes or advisory periods, they become ineligible for that day.

• Excused Absences:- Excused absences must be called in to attendance prior to the absence. If a student misses more than half their academic day, they will not be elibible to practice or compete that day.

Students can become eligible again on the following day if they attend all of their classes.

Participants in athletic/activity programs not meeting the OSAA standard are, by OSAA regulation, ineligible for the semester. They may not participate or represent the school until semester grades are posted to determine eligibility. Students may not practice if they do not meet the OSAA standard unless they apply for an exception and it is approved by the principal. The principal's approval will be contingent, in part, on the student submitting a plan for how they will fulfill academic requirements given the time demands of athletic/activity participation. Students granted an exception and allowed to practice must meet the OSAA academic standard at the nine-week grading period.

Closed Campus

School board policy requires that students remain on campus from the time they arrive until the end of their school day. Leaving campus during the day *for any reason* without first checking out through the attendance office will result in unexcused absences for any class periods missed.

Students are expected to leave their cars immediately upon arriving at school and are not allowed in the parking lot during the school day without written permission. Disciplinary action will result from failure to comply with this policy.

Diploma Requirements

It is the expectation of the State of Oregon and our district that students engage in a full and complete educational experience. New legislation has required our district to ensure most students are taking a full day of classes each day. Students should work with their counselor for work experience, internships, and other off campus experiences as applicable.

Hillsboro School District High School Diploma Options Graduation Honors

Students who earn a Chancellor's Diploma may be eligible for graduation honors. All honors designations are based on unweighted GPA. This information is defined in Hillsboro School District Policy IKF.

Chancellor's Diploma

The Chancellor's Diploma will be awarded to students who have demonstrated their commitment to a rigorous course of study during high school in order to prepare for college and career success. The Chancellor's Diploma includes classes and requirements that promote critical thinking skills and an enriched learning experience. These requirements are aligned with general Oregon university admissions, but do not guarantee automatic acceptance. Students who earn a Chancellor's Diploma demonstrate the experience that is desired for every student in the Hillsboro School District. All students earning a Chancellor's Diploma will be recognized with a Chancellor's Diploma Recognition during the graduation ceremony.

Valedictorian

Students earning a Chancellor's Diploma and receiving an unweighted GPA of 4.0 for all classes taken will be recognized as valedictorians. In the event that no students receive a 4.0 GPA, but earn a Chancellor's Diploma, the student(s) with the highest GPA will be recognized as the valedictorian(s). More than one person may be recognized as the valedictorian(s).

Salutatorian

Student(s) who earn a Chancellor's Diploma and have the second highest unweighted GPA will be recognized as the salutatorian(s). More than one person may be recognized as the salutatorian(s).

Honors Graduate

The students who earn a Chancellor's Diploma and maintain a 3.75 unweighted GPA will be recognized as honors graduates.

Alternative Certificate

An Alternative Certificate will be awarded to students who do not satisfy the requirements for a chancellor's diploma, standard diploma, modified diploma, or extended diploma.

GED Certificate

GED (General Educational Development) tests provide students the opportunity to earn a high school equivalency certificate. Recognized nationwide by employers and educational institutions, the GED certificate is available through Oak Street Campus

Diploma Notes

Senior Portfolio and Senior Projects* (*subject to change based on state-level guidance for graduation in 2022-23)

A set of personalized learning requirements is also required for graduation. This requirement is met through the completion of a Senior Project and Portfolio:

- Education Plan and Profile: Students will develop an Education Plan and Profile to guide their learning and document academic achievement and progress toward their personal, career, and post-high school goals.
- Career-Related Learning Experiences: Students will participate in activities that connect classroom learning with real-life experiences in the workplace community that are relevant to their education plan.
- Extended Application: Students will apply and extend their knowledge in new and complex situations related to their personal and career interests and post-high school goals through critical thinking, problem solving, or inquiry in real-world contexts.

Grading and Performance Reporting

Hillsboro School District's grading and reporting system shall provide students, parents, teachers, and the community with a framework for accurately reporting student achievement. It is the District's responsibility to ensure that all school members work to challenge and support each student in their pursuit of the highest levels of academic and personal achievement.

The District will:

- 1. Distribute to parents/guardians and students, at the beginning of each class/course, information on class/course expectations, Oregon State and District curriculum standards/learning goals, and performance criteria.
- Ensure teachers use a collection of evidence and professional judgment so that a student's grade
 is an accurate representation of what the student knows, understands, and is able to do in regard
 to class/course learning targets.
- 3. Ensure that academic achievement grade calculations are accurate and consistent throughout the District, and that these grades provide meaningful information supportive of student achievement.

Specific information on teachers' grading scales will be included with each secondary course syllabus handed out at the beginning of the course.

Class assignments* and student grades are available online through secure StudentVue and ParentVue portals. Additional information on how to access these portals can be obtained from your school. (*Individual teachers may also use alternative websites or online platforms for sharing assignments, upcoming events, etc.)

Grad	ing Scale
Α	Work of such character as to merit special recognition.
В	Above-average performance.
С	Average work, meeting minimum requirements.
D	Work below-average that fulfills only the minimum expectations of the course.
F	Failing work which does not meet minimum requirements and demonstrates lack of competence.
I	INCOMPLETE – Used when teachers do not have sufficient evidence to determine a grade.
N	NO GRADE – For office use only. Indicates that the student took the class but received no grade for it. N is not used in the calculation of the GPA. No graduation credit is awarded.
P	PASSING – Awarded to students with modified course objectives (e.g., IEP students). P is a final grade that is not used in the calculation of the GPA. Graduation credit is awarded.
s/U	SATISFACTORY/UNSATISFACTORY – Assigned for non-credit classes and credit recovery.
WF	WITHDRAWN FAILING – Administrative approval is required. Used to indicate that the student has withdrawn from class with an F. Like the F grade, WF (point value 0) is a final grade used in the calculation of the GPA. No graduation credit is awarded.
WP	WITHDRAWN PASSING – Administrative approval is required. Used to indicate that, upon withdrawal, the student was passing the class, but is medically or unavoidably unable to finish. WP is a final grade and cannot be made up. It is not used in the calculation of the GPA. No graduation credit is awarded.

Weighted grades are given for Advanced Placement (AP) and International Baccalaureate (IB) courses. The transcripts of students who graduate from Hillsboro School District include both a regular grade point average (GPA) and class rank, and a weighted GPA and class rank. See policy <u>IK-AR: Academic Achievement – Secondary Grading and Reporting Practices</u> for additional information.

Emergency Closures & Inclement Weather

In the event of hazardous weather or other emergencies, local radio and television stations will carry school schedule change information. The District will strive to post closure and delay information on the District website as soon as possible at www.hsd.k12.or.us.

In the event of ice or snow, the District may use modified routes or bus stops, especially in the higher elevations.

Many radio stations begin announcing school closures by 5:30 a.m. These stations include KEX (1190), KXL (750), KKRZ (100.3) KKCW (103.3). Television stations that announce school closures include KATU (2), KOIN (6), KPTV (12), and KGW (8). Families can also download the Flash Alert app for the most upto date information.

Please be aware that changes in weather and road conditions can result in bus pick up and route times being delayed. We ask that you be patient and avoid calling the school or Transportation as phone lines should remain clear for emergency use.

Gifts

District policy discourages student gifts to teachers. Letters to staff members expressing gratitude or appreciation are always welcome and considered more appropriate.

Fees

It is the philosophy of the Hillsboro School District Board of Directors that no student is denied the opportunity to participate in any phase of the curriculum because of financial hardship. The District will provide necessary materials free of charge to any student whose parents/guardians indicate that the costs entailed would represent a financial hardship to the family. Arrangements should be made through a counselor rather than the classroom teacher.

Accident and Illness

In case of a serious accident involving a student, we will first try to contact the parent. If we are unable to reach the parent, we will call the emergency numbers in the student's file. If we are still unable to reach anyone we will have the student transported to a hospital in accordance with the emergency medical technicians' evaluation of the student's condition.

In the case of minor injuries, students will receive basic first aid in the health room as needed. Standard first aid guidelines are posted in each school health room. These guidelines are also posted on the District website in the nursing department section.

Should a student become ill, we will contact the parent and ask that the student be taken home. We follow the Washington County Health Department recommendations for exclusion from school for illness.

- School-aged children occasionally have signs and symptoms which may be related to communicable diseases. Because many communicable diseases are most infectious at their onset, a child should be excluded from school per Washington County Health Department Communicable Disease Exclusion Guidelines. Only a licensed health care provider can make a diagnosis and/or prescribe treatment and provide instructions regarding the student's return to school. Please see the list below for specific illness symptoms that require exclusion.
- Communicable Disease School Exclusion Guidelines: Communicable Disease Guidance

Students should be excluded from school participation if their illness prevents the student from participating in school activities; if the student requires more care than the school staff can provide; or if any of the symptoms listed on <u>Too Sick for School English flyer</u> or <u>Too Sick for School Spanish flyer</u> are observed.

Students presenting with these symptoms will be separated from other students while awaiting a parent/guardian to pick up their student. If you have any questions about your child's readmission to school after recovering from any communicable disease, please call and speak to one of the Nurses at 503-844-1500. If you have questions or concerns about care given in the Health Room please contact your building's nurse.

Please contact your school office if you have concerns regarding emergency health care for asthma, allergies, insect stings, hypoglycemia, or other conditions.

Health Management Plan

A Health Management Plan is created by the District Nurse in collaboration with the parent and health care provider. Health management plans are not routinely provided for *asthma or insect sting allergies*. Guidelines for first aid related to these conditions are posted in the school health rooms. *Please contact your school nurse if you would like a specific health management plan developed for your child, especially if they will need accommodations related to their condition.*

Medications

When a student has a health condition necessitating the administration of medication during the school day, parents must submit the required paperwork, following these guidelines:

- Medications must be submitted in their original container, and must be transported to and from school by the parent/guardian. Medications cannot be transported to school on the bus.
 - Any refills must be submitted in their original container to the school by the parent. Pharmacies will provide an extra bottle for school use when requested.
- Prescription medications must have a label with the child's name, name of medication, route of administration, dose, amount to be given at school, frequency/time of administration, and healthcare providers name and expiration date.

- Medication Authorization form must be completed and signed by the parent/guardian (both for prescription and over-the-counter medication).
- Over-the-counter medications must be in their original container, with the student's name on the
 container. A health care provider's order is needed if the parent's instructions for administration
 contradict the safe dosing on the container.
- All changes in instructions must be requested in writing.
- When the normal school schedule is changed (due to early release, late openings, etc.) and a student's scheduled medication time does not fall during the school hours for that day, the school will not administer the student's medication.

Self-administration

❖ General rules

- If a parent/guardian wishes their student(s) to carry and self-administer a medication, they
 must bring the medication to school and fill out the required paperwork. Contact your child's
 school for further information regarding student self-administration of medications at school.
- Student will not share the medication with another person.
- Student will self-administer this medication as prescribed.
- Student will carry only the amount of medication needed for one school day.
- Medication must be kept in its original container.
- Permission to self-medicate may be revoked if the student violates the policy, and the student may be subject to discipline, up to and including expulsion, if the policy is violated.
- School nurse consultation is required for requests that K-6 students carry any medications.
- The School District requests that the parent provide a back-up for bronchodilator inhalers or epinephrine auto injector, to be kept in the office, when the student is carrying these medications.
- If the student attends a before-or-after-school program at school and the office is closed, the back-up medication will be unavailable. It is recommended that the parent provide an additional back-up Epipen or inhaler to the individual program.

Student Health and Wellness

The safety and well-being of our students is the number one priority in our schools, district, and community. Teachers, counselors, support staff, administrators, district office personnel, and community partners are all available to assist parents and families in supporting students. The resources and information on the <u>Student Health and Wellness</u> page are intended to supplement information that is available in your school. If you need additional information or assistance, please contact your school's main office or counseling office, or one of the community support organizations listed on the Resources page.

Emergency Drills

The safety of your children is a priority. District personnel work very closely with law enforcement and emergency management services to ensure our schools are safe and conducive to learning. Each building conducts a fire drill once a month in accordance with the District's emergency plan and Oregon fire code 405.2. Buildings also conduct a minimum of two earthquake drills, two lockdown drilss, two lockout drills, one hold drill and one drill of choice per school year.

- **Fire drill** Staff and students exit the building to the primary or secondary evacuation location. Teachers take attendance and report to the assembly team.
- **Earthquake drill** Staff and students perform "Drop, Cover, Hold On" until shaking stops. Once shaking stops, staff and students exit the building to the primary or secondary locations. Teachers take attendance and report to the assembly team.

- Lockdown drill A lockdown drill is used when there is a potential threat suspected <u>inside</u> of the building, requiring that all rooms housing staff and students be secured from entry or exit. Students and staff remain in locked classrooms or secured areas until an "all clear" is called. All exterior doors are secured.
- **Lockout drill** A lockout drill is used when there is a potential threat suspected <u>outside</u> of the building in the general area of the school, requiring that building entrances be secured. Classroom instruction continues as usual with exterior security precautions and limited or no outside student activity until an "all clear" is called.
- **Shelter-in-place drill** A shelter-in-place drill is a security procedure used when students and staff are to remain in place until an "all clear" is called. Situations that might require a shelter-in-place include medical emergencies, weather events or hazardous material spill. Staff and students remain in their classrooms until an "all clear" is announced.
- Hold drill A hold drill is when a situation arises making it necessary for students to HOLD in theyr
 classroom and/or clear the hallways. Example situations could include a medical emergency, a
 behavioral crisis, or a maintenance issue. Instruction continues in class and teachers receive
 additional instructions as needed.
- School Bus Evacuation Drills School Bus Evacaution Drills are held twice a year. Once with in the first six weeks of the new school year and the second with in the first six weeks of the second half of the school year. All school bus evacuation drills are conduct at the school during bus arrival times. Students who do not normally ride the school bus to school also receiving evacuation drill instruction in the classroom.

Parent Reunification

In the event that a safety incident occurs at your student's school it may be necessary for the District to initiate an off-site parent reunification plan. This plan is a systematic process to assist schools in effectively and efficiently reuniting students with parents/guardians.

- Off-site Parent reunification video for parents and community members:
- https://youtu.be/-MxyH_pXPmA (English)
 https://youtu.be/oqUjLtTOK 4 (Spanish)
- Although it will be your first instinct to go to your student's school it is essential that
 parents/guardians DO NOT go to the school unless directed to do so. Parents/guardians will be
 notified where to pick up their student. The following means of communication may be used to
 notify parents/guardians about emergencies: District website, Flash Alert, automated call system,
 Facebook, Twitter, local radio and television stations.
- The reunification process can be a challenging and time-consuming process. We ask that parents and guardians be patient and understanding, knowing that the District is doing everything possible to reunite you with your student.
- Parents/guardians will need to bring personal identification to assist the District in the reunification process.

Lost and Found

Any article found should be turned in to the main office. Failure to do so may result in disciplinary action. Students who have lost articles may claim them from the office. Articles in the physical education lost and found are not to be removed without teacher authorization.

To enable parents, students, and staff to reclaim articles of clothing and other items lost or misplaced, each school will provide a designated "Lost and Found" location at their school. To the degree possible, school staff will display items at the designated location to facilitate identification of missing items by students, parents, and/or staff.

Parents will be reminded periodically via newsletters and school websites to check the lost and found for missing articles.

All lost and found items remain the sole property of the individual who lost them until the school deems the items as unclaimed. Under no circumstances will articles of clothing or other items be removed for private use or personal gain unless by the original owner.

Parents will be notified annually that all unclaimed clothing and other collected items will be donated to charitable organizations or groups up to twice a year. Schools will retain a receipt from the charitable organization receiving the unclaimed articles.

Money found at a school or other District facility will be held for 30 calendar days. Unclaimed money less than \$100 will be deposited in the school's Associated Student Body (ASB) fund or the District building fund. Any money over \$100 dollars will be sent to the Business Office to be held for a period of 90 calendar days. After 90 calendar days, unclaimed money will be deposited into the ASB fund of the school or the District building fund.

Meals

Families are responsible for meal costs unless they are approved for free, reduced, or Oregon EIG no cost meals. Regular prices for meals are: Elementary: Breakfast- \$2.00, Lunch- \$3.00; Secondary: Breakfast- \$2.25, Lunch- \$3.50.

Milk is included with school meals, however if purchased alone costs \$0.75. Individual milk and a la carte items are paid at the time of transaction and no charging is allowed for these items.

If your student has food allergies and plans to eat school meals, please contact the school nurse.

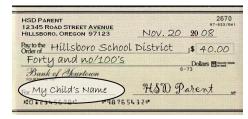

Elementary Schools

The District uses an electronic meal and a la carte accounting system. Students access meal accounts using their student identification meal card or touch their picture on the cafeteria computer's touch screen. Parents wishing to visit their students at lunchtime are able to purchase meals at an adult rate, (\$3.25 – Breakfast; \$4.50 – Lunch) payment is taken at the point-of-service.

Payments are still accepted for negative balances, and a la carte purchases, and may be deposited with the cafeteria staff or online at <u>Lingconnect.com</u>. (Note: There is a convenience fee of \$2.85 per online payment transaction.) Parents may access students' meal participation and account activity by creating an account through Ling Connect.

Here are a few tips:

Depositing money in the form of cash or a check. If using a check, write the full name of the student(s) in the lower left-hand corner of the check. If the deposit is for multiple students, indicate the distribution of money for each child's account on the memo line (see example).

Student balances and account activity may be requested from your school's cafeteria manager or may be viewed at Lingconnect.com.

For accounts that have negative balances, households will receive an automated phone call, and email reminder every week that their student's account is overdrawn.

Middle and High Schools

The District uses an electronic meal and a la carte accounting program. Students may access their account by keying their student I.D. number into a cafeteria terminal or scanning their student ID card. Deposits can be made with the cafeteria at any time or payments can be made online at <u>Lingconnect.com</u>.

Free and Reduced-priced Meals

Information regarding the free or reduced-price meal program, and Oregon EIG no cost meals is mailed home prior to the start of the school year. Current year applications are available after July 1st online at http://www.hsd.k12.or.us/nutrition, in your school's main office, or at the Administration Center. Applications may also be submitted online through Linqconnect.com. New Expanded Oregon Income Guidelines create more opportunities for families to qualify for free meals. Submit your completed application to the Nutrition Services Applications Department, either via online application process, mailed to 3083 NE 49th PI., #208, Hillsboro, OR 97124, or dropped off at any HSD school. Incomplete applications may delay benefit approval. All meal charges to student accounts prior to benefit approval are the responsibility of the parent or guardian. Eligibility is effective on the date benefits are approved.

You can view the menu, including nutritional facts, on the Hillsboro School District Website at http://www.hsd.k12.or.us/nutrition.

Media Release – Directory Information

Directory information is information about students that could include the following: student's name, address, phone number, electronic address, photograph, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height (for members of athletic teams), dates of attendance, degrees or awards received, and/or the most recent previous school or program attended.

The Hillsboro School District gives notice that such information may be printed or published during the year in formats such as honor rolls, award announcements, press releases, media productions, play programs, team rosters, sports programs, concert programs, yearbooks, school or District web site articles, and other such school or District publications, and will be appropriate for the purpose of that publication.

Hillsboro School District may, upon request, provide directory information to organizations such as a graduation products contractor or the Hillsboro Schools Foundation.

Print and electronic media representatives may attend school activities, projects, or events for news coverage and may photograph a student or students.

Parents and guardians have the right to prevent the District from releasing directory information regarding the student and/or parent. To exercise this right, requests must be submitted in writing by the parent/guardian, student 18 years of age, or emancipated student to the principal within fifteen days of annual public notice.

Parents/guardians are reminded that if they submit a request to prevent publication of directory information, the school will not be able to include the student in honor rolls, press releases, media productions, team rosters, concert programs, and other such school or District publications.

- All requests by parents to prevent publication of directory information will be honored.
- No unlisted phone numbers will be released for any reason.
- Directory information shall be released only with administrative direction; information considered by the District to be detrimental will not be released.

Military Request for Information

In compliance with the federal law, school districts are required to provide the name, address, and phone number of all students in Grades 11 and 12, regardless of age, to military recruiters.

Individual students or parents of students may request the student's name not be released to the military. Because the District must submit the list to the military in mid-October, written requests to withhold a student's information must be received at the school office no later than the fourth Friday in September.

A request to withhold information from the military will not affect other directory information releases (e.g., honor rolls, yearbook, and athletic programs).

Nondiscrimination (Title IX)

The District strives to provide equal educational opportunities to all students and to eliminate those conditions which may cause discrimination. A student, parent, or guardian who believes that he or she is the subject of discrimination may report the incident to the staff member on duty at the time or to the student's teacher or administrator. The teacher or administrator will take appropriate action, which may include following the rules for discipline outlined in the Standards of Student Conduct.

Students and their parents are encouraged to attempt to resolve concerns informally. However, if they are unable to do so or if they believe the student is the subject of discrimination from a District staff member, one of its volunteers, or the District generally, they are encouraged to complete the District's Discrimination Complaint Form.

Changes to the District's complaint procedure may be made if an administrator is named in the complaint.

Harassment

Confidentiality will be maintained, and no reprisals or retaliation will be allowed to occur because of the good faith reporting of charges of harassment.

The Title IX coordinator for the District is Casey Waletich. Complaints should be addressed to Mr. Waletich at 4901 SE Witch Hazel Rd, Hillsboro, OR 97123, or by calling 503-844-1340.

Parental Rights to Review Materials

The District is committed to protecting student and parental privacy. Board Policy KAB: Parental Rights further ensures parents have the opportunity to review curriculum material, surveys, or tools that may seek personal information about students. For more information, refer to the FERPA (Family Educational Rights and Privacy Act) amendment in the Standards of Student Conduct.

Health Curriculum Content

According to Oregon state law and Board Policy IGAI, parents are notified that age-appropriate material regarding human sexuality, HIV/AIDS, and sexually transmitted disease prevention will be taught in the health curriculum. Parents of minor students will be notified in advance of any human sexuality and/or AIDS/HIV instruction and may excuse their child from that portion of the instructional program by submitting a written request to the principal.

Surveys and Research Projects

Research studies may be requested by universities to satisfy advanced degree requirements for graduate students. The District evaluates the intrusion of the survey or research tool and works with the university prior to approval. Interruption of instructional time is a primary consideration in approving or denying surveys or research projects. The District requires notification to parents when a research study proposes to use student data or responses and gives parents a chance to exclude their student from such activity.

Annual Student Survey

The District administers a student survey annually. This survey is completed by students in selected grade levels between Grades 5 and 12. The survey gathers information on school safety, drugs and alcohol, and instruction-related issues. Results of the survey are used for school improvement planning, grant applications, and evaluation of progress toward goals. Parents may contact Becky KingSmith with any questions at 503-844-1500 or kingsmir@hsd.k12.or.us. For more information refer to the PPRA (Protection of Pupils Rights) amendment in the Standards of Student Conduct.

Personal Electronic Devices & Social Media-Students

Students may be allowed to use and possess personal electronic devices on District property and at District-sponsored activities, provided such devices are not used in any manner that may disrupt the learning environment or District-sponsored activities, or violate Board policies, administrative regulations, acceptable use guidelines, school or classroom rules, or state and federal law¹.

As used in this policy, a "personal electronic device (PED)" is a device not issued by the District that is capable of electronically communicating, sending, receiving, storing, recording, reproducing, and/or displaying information and data.

If the District implements a curriculum that uses technology, students may be allowed to use their own personal electronic devices to access the curriculum. Students who are allowed to use their own devices in this manner will be granted access to any application or electronic materials when they are available to students who do not use their own devices, or are provided free of charge to students who do not use their own devices.

The District will not be liable for personal electronic devices brought on District property or to District-sponsored activities. The District will not be liable for information or comments posted by students on social media websites when the student is not engaged in District activities and not using District equipment.

Social media tools (as defined in Administrative Regulations <u>JFCEB-AR: Personal Electronic Devices and Social Media – Students</u>) may be used by students in a manner that supports the instructional and learning environment.

Administrative regulations may include grade-level or age-level possession and/or use restrictions by students on District property and at District-sponsored activities; consequences for violations; a process for responding to a student's request to use a personal electronic device, including an appeal process if the request is denied; and such other provisions as the Superintendent or superintendent's designee may deem necessary.

Student Device Use Guidelines

When accessing the District's technology hardware and network, students agree to use it in a responsible, ethical, and legal manner in support of teaching, learning, District work, and the attainment of the Board's goals. Use implies acceptance of the terms of these guidelines. Failure to follow these guidelines, District

¹The taking, disseminating, transferring, or sharing of obscene, pornographic, or otherwise illegal images or photographs, whether by electronic data transfer or otherwise (commonly called texting, sexting, emailing, etc.) may constitute a crime under state and/or federal law. Any person taking, disseminating, transferring, or sharing obscene, pornographic, or otherwise illegal images or photographs will be reported to law enforcement and/or other appropriate state or federal agencies.

policy, and administrative regulations governing use of the District's system may result in the suspension and/or revocation of system access, and disciplinary action up to and including suspension or expulsion. Violations of law will be reported to law enforcement officials and may result in criminal or civil sanctions. Fees, fines, or other charges may also be imposed.

General Guidelines

- 1. Keep the device safe and secure.
- 2. Do not leave devices unattended and visible in a vehicle.
- 3. Keep devices away from liquids, and keep liquids away from devices.
- 4. Use network systems to back-up your data. The responsibility of backing up personal data located on devices is solely the end user's responsibility.
- 5. Users shall maintain personal responsibility for all non-approved financial obligations incurred while using the District's technology.
- 6. Users are personally accountable for behaviors that are illegal, destructive, or that are not directly related to the District's work.
- 7. Users shall act in a manner that protects the security, integrity, and reliability of technology equipment, infrastructure, and services.
- 8. Users are advised not to share passwords with others or use another person's password. Doing so is a breach of security that threatens District's information, services, and fiscal controls.

Acceptable Use of Technology Equipment

Acceptable use includes activities that directly relate to the District's work, teaching, and learning, or that support the attainment of Board goals and priorities. Such use may include electronic or voice mail, real-time electronic conferencing, reading or posting messages on websites or online communities, accessing internal information databases and other shared resources, and access to external resources through the Internet or commercial services.

Electronic communication devices, technology equipment, infrastructure, and services are provided to support District work. Limited personal use of these services is permitted if there is no additional direct cost to District, and if personal use does not interfere with student learning, conflict with employee work responsibilities, violate the professional code of conduct, result in personal financial advantage, or violate Board policy or administrative regulations.

Replacement of lost, stolen, or damaged devices by Students

If the above guidelines have been followed, students will not be held responsible in the event that their technology equipment is lost, stolen, or damaged such that a replacement is needed. However, students and their families may be held financially responsible for any problems caused by negligence as determined by District or school administration. Examples of negligence include, but are not limited to:

- 1. The device was left unattended in an unsecured area.
- 2. The device was left visible and unattended in a vehicle.
- 3. The device was intentionally damaged.
- 4. The device was damaged due to negligent treatment.
- 5. The device was being used or was placed in hazardous-to-device areas such as around water, in the rain, near unguarded containers of liquid, or in a bag with a container of liquid.
- 6. The device was damaged while being used (for non-school use) by a person other than the student or employee.
- 7. The device was lost, stolen, or damaged during non-school related use, where proper safety and/or security measures were not implemented.
- 8. The device was damaged while being used in a way in which the device was not intended to be used.

In the event of lost, stolen, or significantly damaged devices:

- 1. If stolen, immediately contact the police and complete a police report.
- 2. Contact the Technology Department at 503-844-1513 to obtain needed information for insurance and police reports (model, bar code number, serial number, purchase price, purchase date, replacement cost).
- 3. Within 48 hours, report loss to the school's Media Assistant, Office Manager, or Principal.

Residency and Student Transfer Requirements

Residency Requirements

By state law and District policy, students are assigned to, and expected to attend, a "home school" in their "home district" based on the legal address of residence of their parent or legal guardian. The Hillsboro School District has also established attendance boundaries that provide clear feeder paths from elementary to middle to high schools. These boundaries allow academic continuity within each feeder and balance enrollments across schools in the District.

The elementary home school determines the feeder path a student will take into middle or high school. To determine the student's assigned attendance area, please use the "Find my Home School" tool on the Transportation Department page of the District website or contact Transportation Services at (503) 844-1123. Questions regarding requirements to confirm residency should be referred to the home school.

Exceptions to school assignments must be approved by the Superintendent/designee through a transfer request initiated by the parent or legal guardian. Students living away from home or with friends or relatives, who are not emancipated or living with a legal guardian, must have administrative approval to attend a District school other than their home school. Students whose place of residence changes during the school year must notify their school, and may be required to submit a transfer request if they have moved to a different attendance area.

Transfer Requests

Residents of the Hillsboro School District who wish to transfer to a school other than their home school must initiate a transfer request within the established schedules. There are two transfer request processes: (1) In-District, for requests to attend schools within the Hillsboro School District; and (2) standard inter-district, for requests to schools outside the Hillsboro School District (i.e., Beaverton or Forest Grove School Districts).

Under the standard inter-district transfer process, resident students must obtain a release from the Hillsboro School District and an acceptance from the non-resident district; non-resident students who wish to attend a school in the Hillsboro School District must be accepted by the Hillsboro School District and obtain a release from their resident district.

Transfer requests are considered equitably and are not based on the student's race, religion, gender, gender expression, sexual orientation, ethnicity, national origin, disability, health, whether a student has an individualized education program, the terms of an individualized educational program, income level, residence, proficiency in the English language, athletic ability, academic records, behavioral records, or eligibility for participation in a talented and gifted or special education or related program.

If there are more requests received than there are slots available for release or acceptance, an equitable lottery process will be held to determine who will receive the slots.

General terms of acceptance are that transportation is the responsibility of the family, and that the student must abide by stated attendance and behavior expectations: 1) Attendance of 92% or greater; and 2) No major referrals, no referrals of five days or more, and no expulsion. These terms will be applied

consistently to all similarly situated students on inter-district transfer such that they do not have the effect of discriminating against a class of persons.

Upon acceptance by Hillsboro School District, inter-district transfer students on an individualized education plan or in need of special education services will be asked to contact the Student Services department at 503-844-1500.

In competitive activities that are governed by the Oregon School Activities Association (OSAA), competitive eligibility will be determined by a review based on OSAA standards. Parents are reminded that a transfer application, if approved, will allow the student to complete an academic transfer, but does not guarantee eligibility to participate in competitive activities at the school.

The OSAA states, "It is a Fundamental Rule of the Association that a student must attend the high school in the high school attendance boundary within which the Joint Residence of the student and the student's parents are located. Exceptions to this Fundamental Rule are to be narrowly construed." (Rule 8.6.1). Parents may contact OSAA at (503) 682-6722 with specific questions.

Note that the District will <u>not</u> transfer students based on athletic/activity consideration. Students also may not sign up for or practice with athletic teams or other activity programs at their requested school unless they have been approved for transfer.

Transfer students who wish to return to their home school must submit notification in writing to their current school to withdraw their transfer. To transfer to a different school, the student must submit a new application. Students also may need to reapply for a transfer to continue at their current school if a change in residence moves them into a new home school attendance area.

Student Withdrawal from School

If a student plans to withdraw from school for any reason, the following steps must be taken:

- 1. The parent or guardian must contact the school either personally, by telephone, or in writing to authorize the withdrawal.
- The student is expected to have an exit interview with an assistant principal or counselor and then pick up a withdrawal form from the registrar. Teachers will indicate the student's grades at the time of withdrawal, while the media assistant or bookkeeper will confirm any outstanding debts.
- 3. Refunds of student body fees are prorated according to a schedule, and refunds are sent through the mail to the student's parent or guardian.

It is important that students go through the proper withdrawal procedures. Otherwise, refunds will be delayed and students may have difficulty obtaining records as needed for employment, the armed services, or further schooling.

Selling/Advertising/Posters

Students and community members are not to sell, distribute, or advertise any items or services on campus unless they have the approval of the school administration. Information on the flyer approval process is available on the Community page of the District website at www.hsd.k12.or.us/flyers.

Social Security Disclosure Statement

Providing a student's social security number (SSN) is voluntary. If provided, the District will use the student's SSN for record keeping, research, and reporting purposes only. The District will not use the SSN to make any decision directly affecting the student. Student SSNs will not be given to the general public. If a parent/guardian chooses to not provide a student's SSN, the student will not be denied any rights. Providing a student's SSN means the parent/guardian consents to the use of the student's SSN in the manner described.

OAR 581-021-0250 (1)(j) authorizes school districts to ask for students' social security number (SSN). The SSN will be used by the district for reporting, research, and record keeping. The SSN will also be provided to the Oregon Department of Education. The Oregon Department of Education gathers information about students and programs to meet state and federal statistical reporting requirements, and to help school districts and the state research, plan, and develop educational programs. This information supports the evaluation of educational programs and student success in the classroom.

The District and Oregon Department of Education may also match the SSN with records from other agencies as follows:

- The Oregon Department of Education uses information gathered from the Oregon Employment
 Division to learn about education, training, and job market trends. The information is also used
 for planning, research, and program improvement.
- State and private universities, colleges, community colleges, and vocational schools use the information to find out how many students go on with their education and their level of success.
- Other state agencies use the information to help state and local agencies plan educational and training services to help Oregon residents get the best jobs available.

Student SSNs will be used only for statistical purposes as listed above. State and federal laws protect the privacy of student records.

Student Records Law

By Oregon law, a student's parent or an eligible student has the right to:

- Inspect and review the student's education records;
- Request the amendment of the student's education records to ensure that they are not
 inaccurate, misleading or otherwise in violation of the student's privacy or other rights;
- Consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that the applicable state or federal law authorizes disclosure without consent:
- Pursuant to OAR 581-021-410, file with the United States Department of Education a complaint under CFR 99.64 concerning alleged failures by the District to comply with the requirements of federal law; and
- Obtain copies of the District policies that pertain to student education records:
 - o JO/IGBAB: Education Records/Records of Students with Disabilities
 - o JO/IGBAB-AR: Education Records/Records of Students with Disabilities Management
 - o JO/IGBAB-AR Appendix A: Student Record Retention Schedule
 - o JO/IGBAB-AR Appendix C: Request for Student Records

Copies of policies are available from the building principal, from the District Administration Center, or online at www.hsd.k12.or.us.

The District forwards education records within 10 days of receiving a request according to Oregon law (OAR 581-021-0250).

Sustainability

The District will strive to conduct its operations and make decisions that support sustainability by minimizing the waste of natural resources, while protecting the health and well-being of its constituents through environmentally and economically sound practices.

When purchasing, the District shall consider the potential for recycling of materials and shall avoid, when feasible, the purchase of materials that are not recyclable. The District shall take advantage of local opportunities to recycle waste materials and cooperate with the recycling efforts of the community.

Testing Information

SAT or subject area test, ACT, Pre-SAT, PSAT

Students planning to attend a four-year college or university should review admissions requirements to determine if the SAT or ACT is required or optional. Oregon's public colleges and universities and many of our Oregon private, not-for-profit colleges, do not require students in the class of 2022 and beyond to submit test scores with the application. Students can choose whether they want to submit their test scores with their application. In most cases, if you do send scores, the admissions committee will use them when making admissions and scholarship decisions. However, if you do not submit test scores, you will not be penalized. While the majority of applicants have a choice, some students may still be required to submit scores. Some colleges may require applicants to submit additional information if they choose not to send test scores. It's important to know the requirements for each college to which you plan to apply. Students must check college websites, catalogs, and with their school counselor for specific entrance requirements.

The SAT (Scholastic Aptitude Test) and/or, the ACT (American College Test) are the standard college entrance exams that can be used to meet requirements, if needed for admissions or scholarships. Some schools also require SAT subject area tests. Both SAT and ACT exams are offered in our schools on some of the national dates and at neighboring district schools on other dates. Check in the counseling center for details. The SAT and ACT carry a test fee. Fee waivers are available for students, but they must check with their counselor. For more information regarding the difference between SAT and ACT and more, please go to: http://oregongoestocollege.org/requirements/tests.

- <u>SAT</u>: 2023-24 August 26, October 7 November 4, December 2, March 9, May 4, June 1. *SAT Subject Tests are not given in September & April. Please see your school's counselor for updated information. The cutoff SAT registration dates are approximately five weeks before each test.
- <u>ACT</u>: 2023-24 September 9, October 28, December 9, February 10, April 13, and June 8, July 13. (The ACT will be offered free of charge to all juniors in the Hillsboro School District. Please work with the Counseling Office to access this opportunity.)

<u>PreACT:</u> HSD Determines the date. All Sophomores, 10th Grade students may take the PreACT at their home school October 18, 2023.

PSAT

At the junior level, PSAT is the only route of entry to the annual scholarship competitions administered by the National Merit Scholarship Corporation. **Juniors**, 11th grade students can sign up to take the PSAT on October 18, 2023 at their home high school. For PSAT scores to qualify for National Merit Scholarships, students must take it in their Junior year and it is only offered in October.

Please check with your school's counseling center for specific information. Website: www.actstudent.org www.collegeboard.com/SAT.

Transportation

The purpose of school bus transportation is to provide safe, comfortable, and economical transportation for those students living beyond the walking distances established in ORS 327.043. All of the seats on the bus are reserved specifically for those students.

Prior to the opening of school, parents/guardians of incoming Kindergarten-12th graders are asked to visit the MyBus page of the District website (under Departments/Transportation) for information about their student's eligibility for bus service and, if applicable, their assigned route. Parents/guardians of incoming kindergartners will receive bus information through the mail. Questions and inquiries should then be directed to Transportation Services at (503) 844-1123.

Volunteer Requirements/Procedures

The District encourages and appreciates the involvement of community members and families who volunteer in our schools. As the safety and welfare of students is of primary importance, the Hillsboro School District requires criminal history checks for all employees, volunteers, and high school and college students who work with our students.

Volunteer Procedures:

There are five basic steps to becoming a volunteer through our online system:

- 1. Read the District's Volunteer Handbook (a link to the handbook can be found in the application).
- 2. Complete the **Online Volunteer Application and Criminal History Verification Information**. (criminal history re-checks will be done every two years, if you wish to continue volunteering).
- 3. Begin the Fingerprint Background Clearance Process, if applicable.
- 4. Contact the school that interests you directly, either by email or phone, to see what opportunities they have available. You volunteer application must be fully approved in order to begin volunteering.

This process can take several days or more, so get your application in early.

All information will be handled in a professional and confidential manner.

Contact your school for approval status and volunteer assignments. Reminder: Sign in and out in the main office, and wear your volunteer badge at all times.
