

LOVE on the FENCE IS COMING TO A FENCE NEAR YOU!

September 10th – October 29th
8 fences all across Hillsboro

AgeCelebration presents: **LOVE on the FENCE:** *You show me your heart, I'll show you mine!*

On Thursdays from September 10th to October 29th, volunteers from 8 different non-profits will gather at various Hillsboro School District fences across the community to add their artistic flair to LOVE signs designed by local artist **Elizabeth Higgins**. The colorful artwork will be up on the fences through Fall to raise spirits. This multi-partner community-building project hopes to encourage us all to choose LOVE more often, by reminding us that LOVE is always on the FENCE. In every moment we each have a choice, whether to reach out and create LOVE, or not.

The community is invited to walk/drive/bike around Hillsboro to experience the LOVE artwork on the fences, download your own copy of the LOVE art to color and share on social media, and donate to the eight participating non-profits as the fence artwork is completed.

Follow the project **@AgeCelebration** and **#LoveOnTheFence** on Facebook and Instagram for fence locations, maps, downloadable art, photos, updates, and MORE!

Thank you to our participating Non-Profits and to the Hillsboro School District:
