

COVID-19 Vaccine Message Center

1-833-907-3520

The message center is for **people who are unable to access the internet** or who **need support in another language** to make an appointment.

Call the toll-free number and leave a message to get help scheduling your appointment. You will get a call back within 3 days or sooner if there are appointments available.

Languages: English, Spanish, Russian, Korean, Khmer, Persian, Somalian, Tagalog, Vietnamese Cantonese, Mandarin, and Arabic.

For **additional languages**, press option 12 or stay on the line to leave a message in your language.
