The Hillsboro Chamber’s School to Career program has developed a new way for your students to submit their requests. We are excited to share this paperless version with you! College and Career Counselors will be given access to the students’ requests and you will be able to see which students have turned in requests and what your students are interested in learning about as the information comes in.

These links are open now and will stay open until the October 16th due date.

For your students who will be Juniors in 2017-2018:

Falcon's Nest Preschool!

LHS: onsite early childhood program will be offer a full-time options starting Fall of 2017. Falcon's Nest Preschool offers many hands-on projects that inspire children to discover through self-expression and creative thinking. Mature and dedicated high school students support the adventures that build secure relationships; our child to teacher ratio ensures small group learning happens.

Our new enrollment options will enhance our current high school CTE - ECE program as well as increase access of affordable high quality full-time preschool for Hillsboro families.

Take a peek at falconsnestpreschool.weebly.com to learn more about the program. Any questions or registration packet request can be emailed to Jessica Ackerman ackermaj@hsd.k12.or.us

Liberty Fit Celebrates 11th Year

Author: [areyj](#)/Friday, June 16, 2017

Liberty Fit is a unique fitness club that invites all students not participating in a spring sport to train for a half-marathon. Now in their 11th year (started in 2007), there was 16 weeks of training from February 24th through June 10th with over 220 participants in Liberty Fit practices comprised of 80 students, 26 staff, 75 family, and 40 community members. Many who participated went on to join the Helvetia-Half, 15K and 10K marathons. Congratulations Liberty Fit! To learn more, visit their web site at www.falcon15krelay.com.

Parents of graduates, you can go to the link below to view images of your student at the graduation ceremony.
