

Google Apps Parent Permission Form

Dear parents of k-12 grade students,

Hillsboro School District is excited to utilize Google Apps for Education for its staff and students. What are Google Apps for Education? Google Apps for Education are free, web-based word-processing, calendar, presentation, drawing, forms and spreadsheet programs which are now available for all HSD student. Visit <http://goo.gl/jcMkoc> for more information.

Google's terms of use can be found at http://www.google.com/apps/intl/en/terms/user_terms.html

In order for your child to participate, parents must complete a permission form once for each child attending an HSD school.

Students need to know:

Students will follow school and district policies for appropriate use when using Internet based services like Web 2.0 applications and Google Apps. These services are considered an extension of the school's network. Students have no expectation of privacy in their use as school and service administrator have the right and ability to monitor users accounts for policy and security enforcement. For more information on HSD's network guidelines for students please visit <http://goo.gl/8TnDSx> or see your student handbook.

Parents need to know:

HSD's Student Acceptable Use Policy will be enforced. School staff will monitor student use of applications when students are at school. Parents are responsible for monitoring their child's use of applications when accessing Google Apps from home. Students are responsible for their own behavior at all times. For more information on HSD's network guidelines for parents please visit <http://goo.gl/8TnDSx> or see your student handbook.
