

It's never too early to start planning the rest of your career.

Our licensure programs can help.

Don't wait! Deadline for the 2018 PreAL cohort is Aug. 1; classes start Aug. 27.

The Confederation of Oregon School Administrators and Concordia University Chicago have developed a rigorous online program that offers Preliminary and Professional Administrator licensure, as well as the opportunity to pursue a master's or doctorate degree.

- **Convenient:** Online delivery allows you to choose when and where to study.
- **Relevant:** Year-long internships are guided by Oregon administrators.
- **Rigorous:** Professors are trained, mentored and monitored for quality instruction. Most classes are taught by experienced Oregon administrators.
- **Affordable:** Costs are at or below existing programs in the state.
- **Collaborative:** Cohorts meet to support one another at workshops, trainings and conferences throughout the year.

Admission requires holding a teaching or professional services license for a minimum of three years and the desire to be a leader in our schools.
