

The School of Education at the University of Portland provides year-round course offerings for licensed teachers and administrators. Educators may enroll in up to nine credits as non-matriculated graduate student before deciding on a particular program of study (endorsement, certificate, license, degree). Graduate studies at the University of Portland offer several advantages:

- Some of the lowest tuition rates in the metropolitan area
- Dedicated full-time faculty and seasoned P-12 educators
- Multiple program and degree options.
- Small student-to-faculty ratio.
- A reputation for excellence and longstanding tradition.
- An alumni network of teachers and school leaders over 7,500 strong.
