

Disability Income Insurance

NO HEALTH QUESTIONS asked during this special enrollment.

Special Enrollment Opportunity May 6th - June 7th with No Health Questions Asked.

If your paycheck suddenly stopped today, would you be prepared? Could you afford everyday living expenses and other necessities while maintaining the lifestyle you have been accustomed to? Disability Income Insurance can help. During this special enrollment, there are no required medical questions or exams, making it faster and easier to sign up for the plan.

Why You Need Disability Income Insurance

- **Income Protection for You and Your Loved Ones.**
The plan makes it easy to help protect your future finances in case of a sudden accident or illness by providing a monthly benefit to cover expenses while you are unable to work.
- **Benefit Payments Made Directly to You.**
Your monthly benefit payments may be deposited directly into your bank account. This gives you the freedom to pay your living expenses and make other purchases as you see fit.

Special Enrollment Opportunity for Hillsboro School District!

Available to Applicants:

Enroll today up to \$4,000 without answering health questions!

MCH 7467, MCP 00243, 014260-1

Take steps now during this special enrollment period to help protect your finances with Disability Income Insurance from American Fidelity Assurance Company.

**This product may contain limitations, exclusions, and waiting periods. All benefit amounts will be subject to the plan's pre-existing condition limitation. At no time can the benefit amount exceed the percent of covered salary stated in the schedule of benefits. All riders are subject to normal underwriting rules.*
