

A free PERS/403(b) and Retirement Planning Seminar is scheduled for **Tuesday, October 16th**. Foresters Financial is currently a District partner and the workshop is provided as a free informational session at no obligation for staff.

The workshop is open to all employees and their partners, whether they are planning to retire in the near future or are just getting started within the district. Topics will include explaining the PERS system, its changes, and what it will mean to you. It will also cover the supplemental retirement savings program known as the 403(b)/TSA and how to take advantage of its benefits. Questions regarding Social Security or other financial questions will also be addressed. There are often many questions employees have about planning for taxes, PERS, health insurance in retirement, or even just getting a financial plan started. This will be a great workshop to have those and other questions answered as we get rolling into the new school year.

When: Tuesday, October 16th
Where: Hillsboro School District Administration Center Boardroom
Time: 6:00 pm – 7:00 pm
Who: This seminar will be presented by Skylar Koon of Foresters Financial, an approved 403(b) vendor for the District.

This event is completely complimentary, however space is limited. If you would like to attend please RSVP by e-mail to skylar.koon@foresters.com or by phone at (503) 296-7676 ext. 322.
