In February 2019, districts are expected to report on all Division 22 Oregon Administrative Rules compliance status for 2017-2018. This would be an update on the data provided last year which was for only part of 2017-18. The State Board of Education determined that districts should report on a full year of compliance with Division 22 standards rather than a partial year giving districts additional time to resolve any areas of need. Please carefully review each OAR as you complete this form.
