Compliance Status for 2018-19 school year: Out of compliance

Explanation:

Due to budget cuts, and due to our continuing prioritization of teachers and professional development over the past decade, and per the requirement of the Oregon Department of Education (ODE) to maintain a seven-year cycle of adoption in each curricular area, we are out of compliance in the areas of Health and Physical Education, Social Sciences, and World Languages and the Arts.

On February 26, 2019, we were granted permission from ODE Assistant Superintendent Jennifer Patterson to postpone adoption in each of those areas: Health and Physical Education until September 2020, Social Sciences until September of 2021, and World Languages and the Arts until September of 2021. We were approved to continue use of current materials until new materials are adopted.

At the same time, we were denied permission to postpone adoption of English Language Arts materials. We were instructed to begin an independent adoption.

Proposed Corrective Action:

Despite a lack of funding for comprehensive materials adoption on a seven-year cycle, we continue to teach to State and National standards at every grade level, across content areas. We continue to support the curation and online accessibility of resources for teachers.

We have nearly completed an independent adoption of Language Arts materials for both English Language Arts and Spanish Language Arts. We will complete the K-6 adoption in Spring 2020. We predict completion of 7-12 adoption in Spring 2021. We will continue to comply with the requirement to request Postponement of Purchase of State-Adopted Instructional Materials.
