## WAYS TO EXPLORE:

### THINK

•Rhythm is like the heartbeat of a song. Think of a simple song you know like "Happy Birthday." Clap out the rhythm to the song. Now try it again and change the rhythm.

### CREATE

•Write a simple poem about something that you really like. Can you put it to music by creating a simple tune?

### INVESTIGATE

•Read about one of your favorite musical performers. How did he/she get his/her start in the music industry? What is about their music that you really like? How else can you explore in the area of **VOCAL ARTS?**
