

WHAT IS THE **GOAL** OF CAREER & COLLEGE PATHWAYS (CCP)?

Working jointly with the Hillsboro community, the Hillsboro School District hopes to create relevant, viable pathways for all students in order to unlock their passion, talent and full human potential. CCP is an educational system to prepare students with a complete set of employable skills. CCP gives students both the academic knowledge and technical skills necessary to succeed in future careers. HSD wants all young people to graduate ready for post-secondary learning and career opportunities.

WHAT IS THE **BENEFIT** OF CAREER & COLLEGE PATHWAYS (CCP)?

- **CCP SAVES TIME AND MONEY:** Many pathways offer dual college credit opportunities or industry certifications.
- **CCP BOOSTS EMPLOYMENT RATE:** Because of work-based learning, students who complete CCP programs have a higher employment rate.
- **CCP GIVES OPPORTUNITIES TO EXPLORE:** Students who participate in CCP programs are able to try out different career paths before they enter college which helps narrow down their future field of study.
